THE PRO'S CORNER

Meet Morgan Hill's New Golf Staff

Our new Head Golf Professional Mike Kaminskis comes to our course with 25 years of experience as a Professional Golfer's Association member. During his career he has been fortunate to run several multi-course facilities in Pennsylvania and Maryland working both in the private and public sector. He has been acknowledged by the PGA of America for his merchandising and retail marketing so you might just want to schedule a little extra time in the golf shop and pick up something awesome on your next trip.

In addition to being a skilled golfer with five course records and 6 hole-in-ones to his credit (two on par 4's), Mike is also a certified club fitter with Ping, Callaway and Titleist. A graduate of the University of Maryland College Park Campus with a degree in Turfgrass Management, Mike has literally lived a life in the golf industry. He has worked as cart personnel, grounds staff, golf professional and as a golf course manager and now pleased to be a part of the Morgan Hill Team. Be sure to stop by the golf shop and say hello!

Morgan Hill's new Assistant Golf Professional Steven Plas has spent several years as a golf professional in Florida before returning to the land of seasons where he worked at Lake Naomi and Pocono Pines. He is a graduate of Bethany College in West Virginia where he majored in Sports Communication. Currently he is enrolled in the Golf Academy of America training program and looks forward to meeting everyone at Morgan Hill. A skilled instructor, Steve gets great enjoyment from helping others to become better golfers and enjoy the game.

If you have a golf question, this new dynamic duo at Morgan Hill is happy to assist!
